

In celebration of an  
*exceptional man*

at the conclusion of an  
*exceptional career*

Arne Gray, one of the founding members of Stewart Sokol & Gray LLC, recently announced his retirement from the firm and the practice of law. Arne is leaving to spend time with his family and focus on his health after being diagnosed with ALS (Lou Gehrig's Disease). His presence at the firm is already missed.

Although this next phase of his life will bring with it new challenges and milestones, Arne and his family will always be able to count on the support of his friends and colleagues at SSG. We wish him the best, always.
